For State, District and Local party committees, Schedule H1 must be filed with the first report each year disclosing an allocated disbursement for Federal election activity. Disbursements or expenditures for Federal election activity conducted in connection with a Federal election and within the time periods set forth in 11 CFR §100.24, must be allocated according to this ratio, unless the federal account elects to pay a higher percentage of its cost. This includes for Voter Registration, Voter identification, Generic Campaign and Get-out-the-vote activities. 11 CFR §300.33(b) and 11 CFR §300.36(b)(2)(i)(A).

-Please provide a Schedule L-B to support the transfer of Levin funds to the federal account for GOTV activity disclosed on Schedule H5. Each transfer of Levin funds from a Levin or non-federal account to a Federal account must be itemized on Schedule L-B regardless of the amount transferred 11 CFR §300.36(b)(2)(ii)

extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
